August 2020 World Paper Money Auction

These are very interesting times for our hobby as we all make adjustments to how we do business to best serve our clients during the Covid-19 pandemic. As many shows have been cancelled or postponed, the online portion of our business has really taken off. Our auctions have seen great success, with our Collectors Choice Online auctions bringing stellar prices, while our May Hong Kong set records and exceeded our expectations, even without a concurrent tradeshow.

Despite the cancellation of the ANA World's Fair of Money and other conventions, we have once again risen to the challenge and assembled a fine auction offering, all of which can be found online at StacksBowers.com from the comfort of your home or office. To make everything as easy for our bidders as possible, our entire staff is at your disposal to help you register to bid, view lots online, or bid over the phone. We will also have lot viewing available at various locations throughout the country prior to the sale, with proper measures in place to keep everyone safe.

As always, this catalog contains some never before seen World paper money items, as well as some that have been privately held for over a decade. We are thrilled to be presenting some top population certified material and

serial number 1 notes. Within this sale you will also find extensive collections representing the Commonwealth, Mexico, Argentina, and Canada.

If you have any questions and would like to contact me directly, my email address is Aris@StacksBowers.Com. If you are considering selling in the near future, we are currently accepting consignments to upcoming auctions through 2020 and into 2021. Along with our unparalleled customer service and tradition of record-breaking prices, we are offering free grading on select items and can provide aggressive advances for qualified material.

Thank you all for your continued support,

Aris Maragoudakis

1950-51 George VI British Caribbean Specimens

30063

BRITISH CARIBBEAN TERRITORIES. British Caribbean Territories, Eastern Group. 5 to 100 Dollars, 1950-51. P-3s to 6s. Specimens. PMG Gem Uncirculated 66 EPQ. 4 pieces in lot. Included are the following: P-3s 5 Dollars Specimen which PMG's pop report as only two graded at the 66 level, with none finer; P-4s 10 Dollars Specimen which is finest graded example for the variety; P-5s 20 Dollars Specimen which PMG's pop report as only two graded at the 66 level, with none finer; & P-6s 100 Dollars Specimen, which PMG misattributed as P-6 on the holder, making it the finest example graded for the P-6s variety. Scarcely encountered, and especially so this nice. All display excellent appeal, almost as if they were printed yesterday. These four notes come from the first series of notes issued by the Currency Board of the British Caribbean Territories, and was the only series to feature King George VI, as the next series in 1953 would feature Queen Elizabeth II.

Just four or five examples of each specimen note is listed in PMG's pop report, with the exception being P-6s, with just two encapsulated by their grading service. All notes bear portrait vignettes of an elder King George VI. King George VI would later pass away on the 6th of February, 1952. King George VI was born on the 14th of December, 1895. He saw service in the First World War aboard the battleship HMS Collingwood as a turret officer during the Battle of Jutland, the greatest naval engagement of the first World War. George VI would rule England from 11th of December, 1936 to the 6th of February, 1952.

We expect to see spirited bidding on this lot, as this type in any form rarely cross the auction block, especially all at once. We wouldn't be surprised to see our high estimate exceeded.

Edward, the Prince of Wales visited Canada in 1919 after the end of the First World War. The Prince of Wales was met with much popularity, as the Prince's informal dress, mannerisms, and tour of Canada struck the right chord with Canadians. During his tour, he would meet with the League of Canadian Indians and would also lay the foundation stone of the Peace Tower on Parliament Hill. His tour began in St. John's, Newfoundland and ended at Victoria, where the Prince laid the foundation stone of a statue of Queen Victoria.

Included is a period envelope which reads: "First 5 Dollar Note of a series issued by the Merchants Bank of Canada: to coincide with the Prince of Wales visit November 1919." Also included is a vignette by ABNC of the Prince of Wales.

Rare Cardinal Overprint

30085

CANADA. Bank of Toronto. 5 Dollars, 1890. CH #715-22-02a. PMG Choice Fine 15. Toronto, Dominion of Canada. "Cardinal" overprint found twice in blue. This series was found with locations of issuance on the face, and what makes this note special compared the other three reported on PMG's population report is where this note was issued.

The Village of Cardinal was founded in the 1700s by Captain Hugh Munro, who is believed to have received the land out of payment for war debts personally incurred during the American Revolutionary War, fighting for the Loyalists. The land was highly valued at the time, as it was adjacent to a river (for trade and transportation) and was also next to Ontario Highway 2, which was constructed in 1790. In 1851, the population was reported to be 120 people. Fast forward to 1895, and the population was reported to be just 1,000 people. The small population of Cardinal correlates with the small amount of notes known with the "Cardinal" overprint.

The face of the note is found in a yellow tint, with the Royal Crest seen at center, with a woman at left and seated commerce figure next to "5" at right. The reverse displays a medallion style engraved portrait of Queen Victoria and Prince Albert, with counters and left and right. A rare opportunity.

LEEWARD ISLANDS

Rare Leeward Islands Issued Note

30215

LEEWARD ISLANDS. Government of the Leeward Islands. 5 Shillings, 1921. P-1. PMG Choice Fine 15. Printed by TDLR. An extraordinary and significant opportunity to own a crushingly rare 5 Shillings note issued by the Leeward Islands. King George V is found at top center, with "5/-" counters at left and right. The face is printed in a dark red and light gray ink, with good detail and appeal still found. The reverse shows the design printed in dark green ink, and displays arms at center with "5/-" denominations at left and right.

This note was last offered in Spink's 2009 World Bank Note sale. So with a little over a decade passing between the time this note was last offered only helps to reaffirm and highlight just how rare this example is, and collectors might not get another opportunity to bid on this example for quite some time as notes of this caliber are usually tightly held and rarely leave the collection they enter.

The Leeward Islands are a group of islands located in the northeastern Caribbean Sea. The Leewards became a British colony in 1671, and was later dissolved as a colony in 1816 but were later reformed in 1833. From 1833 to 1871, the Governor of Antigua assumed the powers and duties for the Governor of the Leeward Islands. Today, the islands are governed by a number of national & colonial administrations.

This note was once part of the historic collections of Amon Carter, Christensen, and now currently until it is sold, the Dauer Collection.

The face is printed in a dark green and light blue ink, with still attractive details for the assigned grade noticed. The reverse shows the design printed in a light brown color, and displays arms at center with "10/-" denominations at left and right.

An excellent pairing with the previous lot, and an opportunity for the most advanced collectors to acquire and complete the two denominations issued by this British Commonwealth. This note was last offered in Spinks September 2009 sale, a little more than a decade ago. We expect spirited bidding on this note, as it might be another decade (or longer) until this note is offered for sale on the auction block again, as notes of this caliber are tightly held onto.

The Leeward Islands earned their name when sailing ships were the sole form of transportation in the world. In sailing terminology, the term "windward" means towards the wind, while "leeward" is the opposite direction. The prevailing winds, or "trade winds" as so many ships in the 1600s and 1700s relied on for travel & trade routes, blow out of the northeast. Thus, with the Islands being to the northwest, would be "leeward" to Islands in the southeast. The term originated with early Spanish colonizers, and under later British control the name stuck.

30262

PANAMA. El Banco Central de Emision de La Republica de Panama. 5 Balboa, 1941. P-23a. PMG Choice Uncirculated 63 EPQ. Hamilton Bank Note, New York. This extremely scarce Five Balboas from the 1941 series is one that is missing in even advanced collections, especially so in such a high grade. Blue primary underprinted color and a transition to purple at center and orange guilloche at left and right. A standing vignette of Urraca is found at left and blue color is used on the back. Fully original and beautiful paper along with vivid ink stands out on this Choice Uncirculated note.

The series is commonly referred to by the nickname “The Arias Issue,” which references President Dr. Arnulfo Arias. The President was largely responsible for the introduction of a new article which would authorize official and private banks to circulate paper money and the first and only bank to do so was the Banco Central Emision de la Republica de Panama. The bank received the authority to circulate up to six million Balboas in banknote form, although a little less than half that number was released on October 2, 1941. The most fascinating aspect of this series was the incredibly short period of circulation, lasting over a week. This short stint was due to Dr. Ricardo Adolfo de la Guardia Arango becoming president in a cooperative with the United States. The new leadership quickly closed the bank and withdrew the notes from circulation, at the same time destroying the remaining stocks. The short circulation period resulted in the high rarity of the notes today, especially the higher denominations.

RUSSIA—PROVISIONAL GOVERNMENT

Ultra Rare Issued 1919 50 Rubles

30325

RUSSIA—PROVISIONAL GOVERNMENT. Government Credit Note. 50 Rubles, 1919. P-39Ba. PMG Very Fine 25 EPQ. 1919 was a turbulent and trying year for the newly formed Russian Soviet Republic: the White Army was still engaged in a bitter war of attrition with the Reds in the South of Russia, the British and American Expeditionary Forces were fighting alongside the Whites against the Bolsheviks in the North of Russia, and the Red Army steamrolled the White Army in Siberia. During the Russian Civil War, many regions and Provisional Governments issued currency before the State Bank of the R.S.F.S.R. (later the State Bank of the U.S.S.R.) began issuing currency in 1921, which was implemented by Vladimir Lenin's New Economic Policy. Lenin himself would describe the State Bank as a "bureaucratic paper game," and nothing more than a "Potemkin Village," which Lenin meant was to make people believe the newly formed R.S.F.S.R. was fairing quite well, when in reality it was not.

This note is an anomaly of survival. Usually, just specimens of this type are typically encountered, which in themselves are rarely encountered, with PMG reporting grading just 7 specimens. This note is fully issued, with serial numbers and block numbers. At the time of cataloging, PMG reports a scant two issued notes graded by their service, both in the same VF 25 grades, however this one gained PMG's coveted EPQ designation. The Provisional Government seal is seen on the reverse of the note, which had only existed for around 7 months: from the time of Tsar Nicholas II abdication of the throne on March 15, 1917 until the October Revolution of 1917, when the Bolsheviks gained full power and established a new government.

This note is found with PMG's EPQ designation, retaining fully original paper from 100 years ago. Two allegorical women are seen on the face of the note, one seated on square containing the denomination, with the other standing and holding an object. The number "50" can be counted an astounding 94 times on the face of the note, making up the border design and seen in each corner. A multicolored design is seen surrounding the "50" obligation at center, with detailed lathe work around it.

It is a miracle this note was spared destruction during the revolution and later purges of material. This note will surely be the centerpiece of any collection of Russian paper money it enters, and its historical importance is second to none. If this note could talk, we can only imagine the stories it could tell and the history it has witnessed.

SAINT LUCIA

Exceedingly Rare Saint Lucia Issued Note

30329

SAINT LUCIA. Government of Saint Lucia. 5 Shillings, 1920. P-1. PMG Very Fine 20. Printed by TDLR. The *Standard Catalog of World Paper Money* lists this note as “Rare,” which is an understatement given that typically only specimens and proofs of this type are offered for sale. Thus, we are pleased to offer this fully issued and crushingly rare issued example for auction.

The face of the note displays King George V at center, flanked on both sides by “5/-” counters, with the bank name above the portrait and the denomination spelled out below the portrait. Two signatures are found at the bottom, with serial numbers at left and right. The face is printed in a light green ink, with the main design printed in a dark purple ink. The reverse displays the islands seal at center surrounded by an ornate design, with “5/-” obligations at left and right surrounded by starburst vignettes, which are printed in dark blue ink. Overall, this Very Fine example offers pleasing qualities and details one would expect for the grade. We expect spirited bidding on this piece as notes of this caliber seldom trade hands.

Saint Lucia is an island in the eastern Caribbean sea, and was granted its independence from England on February 22, 1979. The Island’s first European settlers were the French, and later the English (the island exchanged hands seven times during wars between France and England). An interesting tidbit of history of the island is during the Second World War, a German U-Boat sank two ships in Castries harbor on the 9th of March, 1942. After independence in 1979, the island elected to remain a British Commonwealth and to retain Queen Elizabeth as their monarch.

ZANZIBAR

Highly Coveted 1916 Zanzibar 10 Rupees

30360

ZANZIBAR. The Zanzibar Government. 10 Rupees, 1916. P-3. PCGS Banknote Choice Fine 15 Details. Foreign Substance, Rust, Writing in Pencil. This tiny area is a semi-autonomous archipelago off the coast of Tanzania. Microlithic tools have proven that Zanzibar has been home to humans for over 20,000 years. Zanzibar was formally under control by the Portuguese Empire during the exploration age, then the Sultanate of Oman, later the British Empire, then ruled as a constitutional monarchy under Sultan Jamshid bin Abdullah before the Zanzibar Revolution. However, it currently governs itself and is made up of the Revolutionary Council and House of Representatives. You do not need to know the entire history of Zanzibar to know how rare and special banknotes from the region are. The country was a trading point between the surrounding continents for many different imports and exports ranging from spices to slave trafficking. Zanzibar did not print its own money until 1908. Denominations released were 5, 10, 20, 50, and 100 Rupees. Of the notes printed from 1908 to 1928, only around 500 are known to have survived. Fast forward nearly 100 years later, it is certain that number has decreased significantly. We are fortunate enough to offer a very rare, 1916, 10 Rupees banknote.

The majority of known and previously offered examples have for the most part contained the 1908 or 1928 date, which compared to 1916, are common. This date is certainly missing from the majority of Zanzibar collections, of which there are few. While we have encountered a few 1928 examples, and an equal number of 1908 examples, we know of only 1 other 1916 example. This particular note has certainly seen some use with notes of "Foreign Substance, Rust, Writing in Pencil" on the PCGS holder, but bright inks pop through the holder and all pertinent detail required to please a collector remains. We believe this is the nicest 1916 date known, but due to the absence of data regarding the date-varieties, we of course cannot be certain.

Terms & Conditions – Showcase and Collectors Choice Auctions

1. Auction Basics. This is a public auction sale ("Auction Sale") conducted by bonded auctioneers, Stack's Bowers Galleries or Stack's Bowers and Ponterio (hereinafter referred to as "Auctioneer" and at times as "Stack's Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack's Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer's Premium charged to all other Buyers. Stack's Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack's Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Stack's Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack's Bowers and its affiliates may bid for their own account at any auction. Stack's Bowers and its affiliates may have information about any lot that is not known publicly, and Stack's Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack's Bowers and its affiliates are not required to pay a Buyer's Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve ("Reserve"). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack's Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins and currency in this Auction has been determined by independent grading services, and those that are not may be graded by Stack's Bowers. Grading of rare coins and currency is subjective and, even though grading has a material effect on the value of the coins and currency, grading may differ among independent grading services and among numismatists. Stack's Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack's Bowers and lot descriptions are based solely upon an examination of the coins and currency and are intended to identify coins and currency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack's Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest half or full increment and this rounded bid will be the bidder's high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only

accepted on bids greater than \$500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders" and "Live Internet Bidders"). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack's Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK'S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack's Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer's Premiums. A premium of twenty percent (20%) based upon the total amount of the hammer (minimum of \$20), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the "Buyer's Premium"). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Premium.

6. Payment. Payment is due immediately upon the fall of the auctioneer's hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the "Default Date"), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars or Hong Kong Dollars. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars, Buyer's invoices will be credited with the amount of U.S. Dollars received from Auctioneer's bank. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier's check. Cash transactions will be accepted in the sole discretion of Stack's Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack's Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of \$35. We accept payment by Visa, MasterCard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack's Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack's Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney's fees and cost incurred to collect past due accounts. Any invoice not paid by the Default Date will bear a five percent (5%) late fee on the invoice amount. Buyers personally and uncon-

ditionally guarantee payment in full of all amounts owed to Stack's Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. Sales Tax. Buyers will be charged all applicable sales tax unless a valid Resale Certificate has been provided to the Auctioneer prior to the auction. Should state sales tax become applicable in the delivery state prior to delivery of the property on the invoice, the Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not charged or collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless acknowledges responsibility to pay such sales tax and remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority and agrees to indemnify and hold Auctioneer harmless from any applicable sales tax, interest or penalties due. Lots from different Auctions may not be aggregated for sales tax purposes.

8. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any

affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. Shipping. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Stack's Bowers, in its sole discretion, may not ship to select countries. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of \$10). For any lots delivered outside the country where the auction is hosted, the declaration value shall be the item's hammer price plus its buyer's premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. Buyer shall be responsible for paying all applicable taxes, duties and customs charges for all lots delivered outside the country where the auction is hosted. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

Grading or condition of rare coins and currency may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.

g. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

h. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

i. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

j. Bidders shall have no recourse against the Consignor for any reason whatsoever.

k. Bidder acknowledges that the numismatic market is speculative, unregulated and volatile, and that coin prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

l. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be uninterrupted or error free and accordingly shall not be liable for such events.

11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUCTION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.
